

Quality Policy

COMO BABY (Pty) Ltd is committed to supplying safe, quality products in accordance with local and international recognized standards and specifications.

We endeavor to be the preferred supplier in our range of products by creating value in them with the foremost aim of attaining and exceeding the expectations of our customers, employees, consumers and other shareholders.

The above objectives will be achieved through:

- Adhering to company standard warranty terms and conditions.
- Emphasizing and enhancing relationships with all our suppliers, service providers' and customers.
- Sharing our knowledge on quality requirements with suppliers, service providers' and customers and ensuring that all our products meet specified requirements.
- Consolidating our position as market leaders with special emphasis on safety, quality and service.
- Familiarizing all personnel suppliers and service providers with the mission, vision, policy and objectives of the quality system through training and education conducted on an ongoing basis.
- Establishing and maintaining a quality management system modeled on ISO 9001:2008 and the Consumer Protection Act No.68 2008 of South Africa.
- Compliance with local and international compulsory statutory requirements and any other customer specific requirements.
